AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT
TO THE COMMITTEE OF
BENEVOLENT ORGANISATION FOR DEVELOPMENT, HEALTH & INSIGHT (BODHI) AUSTRALIA INC

Scope

We have audited the accompanying financial report, being a special purpose financial report, of Benevolent Organisation For Development Health & Insight (Bodhi) Australia Inc, which comprises of a balance sheet as at 31st December 2021, the profit and loss statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The Committee of BODHI is responsible for the preparation and fair presentation of the financial report, and has determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the *Associations Incorporation Act 1964* and the needs of the members. The Committee's responsibility also includes such internal control as the officers determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating

the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report gives a true and fair view of the financial position of BODHI as at 31st December 2021, and of its financial performance for the year then ended in accordance with the financial reporting requirements of the *Associations Incorporation Act 1964*.

Matters of Emphasis

Without modifying our opinion, we draw attention to the following:

Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist BODHI to meet the requirements of the *Associations Incorporation Act 1964*. As a result, the financial report may not be suitable for another purpose.

The auditors were not present at the end of year stock-take and it was not possible to form an opinion as to the physical amount of stock on hand. Being that this asset is not a material part of the operations of BODHI, we have relied upon other supporting evidence to substantiate.

It is not practicable for the BODHI to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, it was not practicable for us to extend our audit procedures to verify receipts beyond an examination of the initial receipting records of the Association.

Notes to the financial statements

For the year ended 31 December 2021

The financial statements cover Benevolent Organisation For Development Health & Insight (Bodhi) Australia Inc as an individual entity. Benevolent Organisation For Development Health & Insight (Bodhi) Australia Inc is a not-for-profit association incorporated in Tasmania under the Associations Incorporation Act 1964 ('the Act').

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of preparation

In the opinion of the Committee of Management, Benevolent Organisation For Development Health & Insight (Bodhi) Australia Inc is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

2 Summary of significant accounting policies

Income tax

The association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

These notes should be read in conjunction with the attached compilation report of Camerons Accountants & Advisors.

Notes to the financial statements

For the year ended 31 December 2021

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest revenue

Interest is recognised using the effective interest method.

Dividend revenue

Dividends are recognised when the association's right to receive payment is established.

Dividends received from associates and joint venture entities are accounted for in accordance with the equity method of accounting.

Rendering of services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Revenue from training services is generally recognised once the training has been delivered.

Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.
